Presidents Letter

May - June 2006

Dear Members,

The 2005/2006 ski season, as successful as it was, is now in the past. We now start a new fiscal year with traditional summer programs and hopefully some new, never tried before activities. The dynamics of our membership has changed radically, both in numbers and average age. We would be remiss in our responsibilities if we did not recognize this shift to a more youthful membership and adjust our programs to encompass more of our new members in leadership positions.

I would like to encourage these junior members to present programs they would support and accept chairmanships to carry them out. The possibilities are endless and it would insert new vigor into the Meriden Ski Club.

Our membership meetings will be the third Thursday of the month, May thru August, starting back on weekly meetings in Sept. The Board of Directors will continue to meet monthly thru the summer. Proposals for trips and other activities for the 2006/2007 should be presented to the Board of Directors before the first Tuesday of any month for consideration. It would be nice to have a substantial number of new activities to present to the full membership in the fall.

I hope everyone has a happy and safe summer. ~Russ

Member Conduct Responsibility

The MSC asks that its members act responsibly during club activities. Conduct on buses, lift lines, at ticket booths, at parties or on the slope is reflective of the club as a whole and is expected to be courteous, fair and respectful. Please be aware of other people and children that may observe our activities and please act accordingly. We want this club to be the best and we want its members to enjoy our activities and feel comfortable at all times.

The MSC and the CSC puts forth rules for the safety and integrity of its members. Disobeying these rules will not be tolerated. Thank you for your cooperation.
